

# ALFRISTON CLERGY

CERAMIC • SATIN/GLOSS

Timeless, elegant and influenced by the stunning National Trust property, Alfriston Clergy House, the first built property in the care of the National Trust and bought for £10 in 1896.

Perfect for bringing a sense of the outside in, this wallpaper-style tile collection is ideal for feature walls and splashbacks. The collection combines a satin base with a gloss screen print, creating a lovely tactile finish.

The colours of Alfriston Clergy beautifully complement the colours in our Shoreline collection
