

# PALAZZO ORO

MARBLE • HONED

With its antique white background, and gold and green highlights, this marble oozes luxury. We love to combine the mosaics, tiles and the moulding to create a traditional marble bathroom, or use the uniquely shaped mosaics to create elegant drama.

## INSTALLATION, CARE & MAINTENANCE ADVICE

Please refer to the installation guides on our website. For more information on Mosaic tiles, please see the info sheet on our website, 'Understanding Mosaic Tiles'.

Please note that in order to avoid any staining issues, we do not recommend the use of a spirit based sealer such as Stain Block, as this may react with the glue that holds the mosaic sheet together.
