TECHNICAL DATA SHEET

CLEAN & SHEEN

INTERIOR USE

A highly effective clean and shine after care cleaner for natural stone, ceramic and porcelain. Cleans and protects in one application. Renovates dull looking floors. Gradually builds a slight sheen. Regular use will help reinforce protection on surfaces sealed with Stone Shield.

DIRECTIONS FOR USE

Weekly cleaning: Dilute 1–2 capfuls of Clean & Sheen per litre of warm water. Mop surfaces with the solution. Do not rinse. Allow to dry. Do not walk on the floor until dry. After use rinse mop well with water.

After several years, surfaces may suffer from a build and become difficult to clean. You can remove this accumulation using Deep Clean. After intensive cleaning any previously sealed surfaces should be re-sealed.

COVERAGE

(Approx)	1L	5L
20m ² Surface	40 washes	200 washes

NOTES

Use Clean & Sheen instead of your normal detergent. You should not mix with any other cleaning agent.

NB. This product is not suitable for use on mechanically polished stone and tile surfaces. For this type of surface use All Clean.
