## TECHNICAL DATA SHEET

# SWIFT DRY ALL CLEAN

## INTERIOR USE

### READY TO USE

Effective yet gentle hard surface cleaner. Ideal for ceramic, porcelain, encaustic, natural stone, wooden floors including solid timber floors, engineered wood and laminate.

- Streak Free.
- Fast drying.
- Low foaming, non rinse formula.
- No sticky residue.
- Kind on sealed stone, tiles and natural wood surfaces.
- Ideal for use with microfibre mop or cloth.

### DIRECTIONS FOR USE

**Refill package:** Shake container and pour liquid into a spray bottle or spray mop cartridge. Ready to use. Do not dilute.

**After filling:** Simply spray and wipe! If loose dirt or grit is present, sweep or vacuum the surface before using. No need to rinse.

**Regular cleaning:** Spray a fine mist of cleaner onto your surface from a distance of approximately 1 metre, then wipe using a microfibre mop or cloth. Do not saturate your surface or use a string or fabric mop as this can encourage streaking. Allow floor to dry before use.

**Heavy grime:** Grime should be removed as soon as possible. Wipe away the bulk of any large spills with an absorbent cloth. Spray cleaner onto the area then wipe with a microfibre mop or cloth. For heavy, dried-on stains, leave spray for 2 minutes before wiping to allow the cleaner to penetrate the stain.

### COVERAGE

A filled 750ml spray container of Swift Drying All Clean should be sufficient to clean an average floor of 20m<sup>2</sup> approx 20 times.

### NOTES

Spillages and residues of product can be removed by rinsing with water.

### STORAGE INFORMATION

Store in a cool, dry, frost-free environment.  
Shelf life – Up to 4 years.

### ! HEALTH & SAFETY

Contains perfume, <5% nonionic and anionic surfactants. Keep out of reach of children. Read label before use.
