

STONE GLAZE

CERAMIC - GLOSS OR MATT

These handcrafted tiles, created by combining traditional stoneware with a thick, hand-applied glaze, capture the subtle nuances and vibrant, variegated tones of this ancient ceramic technique. With natural variations in size and colour, Stone Glaze invites you to embrace imperfection and craft organic, characterful interiors that will always spark curiosity and admiration.

INSTALLATION, CARE & MAINTENANCE ADVICE

Please refer to the installation guides on our website.

PRODUCT NOTES

Please note, that due to the highly artisanal, hand-made process of producing these tiles, there is a high amount of tonal variation, sizing variation, and thickness variation in this product. When laying, special considerations are needed- this product will not result in a flat, uniform and even surface; so needs to be laid with artistic flair. Please see our guide, 'how to tile badly for stunning results' on our website for further details.
