## EMBOSSED CERAMIC - TEXTURED

Tin tiles were invented in America to create ceilings that mimicked homes of European aristocrats. Sheets of tin were hammered out in cast iron moulds and the finished product was painted to give the appearance of hand-carved plaster. Our reproduction tiles are not recommended for the ceiling, but do make a stunning vintage-look feature on walls and floors.

---

**FORMAT (CM)**

33 x 33 x 1

**SOLD BY**

10 pieces (1.089m<sup>2</sup>)

**AVAILABILITY**

Usually in stock

**NOTES**

Suitable for interior walls and floors.
