INSTALLATION, CARE & MAINTENANCE ADVICE

Please refer to the installation guides on our website. For more information on Mosaic tiles, please see the info sheet on our website, 'Understanding Mosaic Tiles'.

Supplied on mesh sheets for easy installation. Please note that due to these products being mesh-mounted, we would advise the use of a resin-based adhesive.

Please note that in order to avoid any staining issues, we do not recommend the use of a spirit based sealer such as Stain Block, as this may react with the glue that holds the mosaic sheet together.
